

## FOREST EUROPE

- for the attention of the Head of Forest Europe Liaison Unit Sweden, Ms. Ebba Henning Planck, Swedish Forest Agency/ Policy division

Attached is the Resolution of the Board of the Order of Forest Experts of October 20, 2025, which requests the creation of a Cooperation Partnership between the Order of Forest Experts and Forest Europe in order to elaborate and develop European forest strategies and policies, to develop involvement in the application of sustainable forest management in all forests for the sustainable development of them and their functions, to establish respect and recognition of the efforts and professional merits of foresters in the process of sustainable forest development, etc.

The Order of Forest Experts (O.F.E.) is an elite professional institution of foresters from all over the world, founded in 2024, is in full development and so far in Europe it has forest members from Spain, France, Germany, Slovakia, Hungary, Serbia, Bosnia - Herzegovina, România, Ukraine, Moldova, Turkey. The certification process of new members in O.F.E. is ongoing.

O.F.E. members are personalities in the forestry field from each country (university professors, university rectors, deans of forestry faculties, members of forestry academies, presidents/directors of forestry enterprises, presidents of professional forestry organizations, etc.). The President of O.F.E. is from Romania, the Vice-President of O.F.E. is from the United States of America, and the other members of the O.F.E. Board are from Ukraine, Serbia, Bosnia-Herzegovina, Spain, Germany, Moldova, Turkey. More details about O.F.E., about the Rules of Organization of O.F.E., about its activity can be found on [www.ceforg.eu](http://www.ceforg.eu) in the News section and in the Documents section

O.F.E. President

## Resolution of the Board of the Order of Forestry Experts of 20 October 2025

In accordance with the provisions of Article 3 of the Rules of Organization and Functioning of the Order of Forestry Experts, the Board of the Order of Forestry Experts decided to establish a Cooperation Partnership between the Order of Forestry Experts and Forest Europe in order to cooperate in the development of forestry strategies and policies at European or regional level, in developing the implementation of sustainable forest management in all forests in Europe, in strengthening respect for foresters and recognizing their merits and professional performance in all areas of activity in the forestry field - a guarantee of the sustainable development of forests and their functions in Europe, in strengthening the relations of collaboration and cooperation between all institutions and factors involved in the forestry field in Europe.

The Resolution of the Board of the Order of Forest Experts (O.F.E.) of October 20, 2025 will be transmitted to Forest Europe and, for information, to all institutions related to the forestry field in Europe and worldwide.

Marian Stoicescu

O.F.E. President
